OK! HOT STORY

It's a hard three letters to absorb," **Charlie Sheen** said when he confirmed he is HIV-positive on *Today* on Nov. 17. Harder still, perhaps, for the many women who've been with him in the four years since he was diagnosed, especially those who — contrary to Charlie's assertions that he informed all his sexual partners of his HIV status in advance — now say they had no clue about his diagnosis.

SECRETS AND LIES

While Charlie, 50, was hailed by the likes of **Lady Gaga** and **Piers Morgan** for his courage in coming forward (albeit in response to an explosive *National Enquirer* cover story that exposed his condition), some of his ex-girlfriends — including **Bree Olson** and **Natalie Kenly**, the "goddesses" he lived with in a ménage à trois in 2011 — claimed he wasn't truthful with them. Bree, 29, told **Howard Stern** on Nov. 17 that she hadn't known his status, despite being with Charlie when he was having intense "night sweats" (one possible HIV indicator), and that he used lambskin condoms, ineffective at preventing the spread of viral STDs, while they were together. "I'm clean," he told me," she said. "I trusted him."

Charlie's manager countered that the actor wasn't diagnosed until after he and Bree broke up in April of that year; yet Charlie reportedly shared the scary news with his then estranged wife,

CHARLIE HIV

The day before Charlie's *Today* appearance, ex-girlfriend Bree Olson tweeted about having an HIV test.

Bree Olson
@BreeOlson

Recorded myself for half an hour being tested for HIV and getting the results. This is so stressful.

SHEEN

THE HARD-PARTYING STAR CONFESSED TO COVERING UP A DEADLY DIAGNOSIS FOR YEARS — BUT IS HE TELLING THE FULL TRUTH?

SHOCKER!

Brooke Mueller, (they divorced in May 2011) and encouraged her to get tested. Since Bree was another recent partner at the time, why would he not have told her as well?

Meanwhile, Bree's fellow goddess Natalie, 28, reportedly claimed Charlie hadn't informed her either — although she also said that she didn't fault him or see him "knowingly putting women at risk."

Another postconfession revelation focused on a porn star who was allegedly paid \$10 million in hush

money by Charlie after she learned he was taking HIV medications — following a marathon 12-hour sex session. "She was completely shocked," a friend of hers said. "She told me, 'I'd been having unprotected sex with him for almost a year, along with 50 other girls, at minimum.' Charlie told her not to worry about it; he said his viral count is zero."

LAWSUITS TO COME?

Now at least six women are said to have consulted lawyers in the wake

of Charlie's *Today* confession — and while the actor maintains he's done nothing wrong and vows that "my partying days are behind me; my philanthropic days are ahead of me," he has also acknowledged he's "sure [lawsuits are] next."

"Charlie has no idea how much trouble he's in," says an insider. "His story is just not checking out, and legally, this is a big deal. It could completely bankrupt him and ruin his career, and he doesn't seem to understand that."

OK!

THE THIRD WIFE AND SONS

Brooke Mueller (hugging Bob and Max, her 6-year-old twins with Charlie) was married to the actor from 2008 to 2011. Charlie reportedly told her before their divorce that he had HIV, and Brooke, 38, blamed her subsequent "drug-induced psychotic break" on her inability to handle the news. She and the boys have all tested negative for HIV.

WHO'S AT RISK?

CHARLIE'S REVELATION HAS CAUSED THE MANY WOMEN IN HIS LIFE EXTREME STRESS

THE "GODDESSES"

Bree Olson (left) and Natalie Kenly lived with Charlie in 2011, during his tumultuous post-*Two and a Half Men* period. Both are HIV negative, and though Bree has blasted Charlie in the media for hiding his diagnosis, Natalie had kind words for him, saying, "He loved us all."

THE EX-FIANCÉE

Brett (AKA Scottine) Rossi, 26, was engaged to Charlie for eight months in 2014. She's said she didn't know his secret until April 2015, when she filmed herself burning their photos, ranting, "You exposed me to HIV for a year and a half!" She has not divulged her HIV status.

THE LATEST CELEB NEWS

INSIDER

"Caitlyn's crammed her wish list of procedures into a very short time period," says a source. "Her surgeon finally told her she needs to wait to heal."

CAITLYN'S SURGERY NIGHTMARE

For Caitlyn Jenner, beauty has come at a very painful price. The transgender star has been so aggressive in scheduling expensive, invasive beautification procedures — well before she's let the previous batch heal — that there's barely an inch of her body not currently in pain.

An inside source says facial silicone and collagen implants have produced an especially joyless effect. "Caitlyn gets a terrible stinging around her eyes

and jawline if she smiles too wide or laughs too hard," explains the source, "and there's a constant tightness from the face-lifts and fillers she's had."

While Caitlyn recently announced, when collecting *Glamour's* Woman of the Year award, that the hardest thing about being a woman was "deciding what to wear," insiders say, in fact, her breast implants have posed a much greater challenge. "She's not used to the added weight on her chest," says a source, "so it's giving her lower back

pain and ruining her posture."

The source adds that as part of an effort to adopt a feminine walk, the former world-class athlete wasted no time in procuring calf-reduction surgery to streamline her gams.

"If Caitlyn wanted to get her surgeries done over the span of one or two years," advises Dr. Gerald Minniti, a Beverly Hills plastic surgeon who has not operated on Caitlyn, "that would be safer than clumping them all together." Not to mention less painful!

BLAKE & MIRANDA TRADING PLACES

In happier times, **Blake Shelton** and **Miranda Lambert** professed a love for quiet living in Tishomingo, Okla., where Miranda energized the community by founding a boutique, The Pink Pistol, and a no-kill animal shelter. But ever since the stars' marriage imploded in July, Miranda's so determined to get out of Dodge, she's already given two weeks' notice to employees at the shelter and made plans for the boutique's closing. But Blake is staying put — and even following pal **Guy Fieri**'s advice by opening a burger joint in town! "He wants to do something positive for the community," says a source.

Sources say The Pink Pistol is preparing to shut down for good.

SARAH'S WORKOUT BLITZ

No joke: **Sarah Silverman** has become a gym rat! Sources say that as she gears up for her 45th birthday next month, the often sardonic comedian — who's joked in the past about using cocaine to stay slim — has committed herself to healthy living. "She's actually always been a fan of exercise, but she's really upped her game," says an insider, who adds that in

The truth-telling comedian recently joked to friends that she's determined "not to be old and fat," says a source.

addition to kickboxing and strength training, the longtime vegetarian has traded chips for green smoothies. "Sarah can't wait to turn 45," says the source, "because she looks and feels so great!"

HALLE'S HOUSE DUMP

Halle Berry is a big believer in bad mojo — and in the wake of her split from her husband of two years, **Olivier Martinez**, she's planning to unload her Hollywood Hills home. "Halle always sells the houses she's lived in with a guy after the relationship falls apart," says a source. "She hates being surrounded by the memories and leftover energy. It's bad luck." The actress has been hard hit by the divorce, insiders say; it's her third, following marriages to **David Justice** and **Eric Benét**, and she and Olivier share 2-year-old son **Maceo** (Halle also has a daughter, **Nahla**, 7, from her relationship with **Gabriel Aubrey**). "She's looking for a fresh start in a brand-new place," says the source.

The mansion was the site of a 2012 fight between Halle's then fiancé, **Olivier Martinez**, and ex-boyfriend **Gabriel Aubrey**.

SELENA & HAILEY HUG IT OUT

Bonding over Bieber? Tensions were running high at the Night of Generosity Gala in Beverly Hills on Nov. 6, as **Justin Bieber**'s ex, **Selena Gomez**, was seated near his rumored fling **Hailey Baldwin**. But when Hailey approached Selena, an eyewitness says, the two embraced warmly and whispered together. "Afterward, Selena was heard saying there are no hard feelings," says the source. Imagine the girl talk to come!

Hailey showed respect for Justin Bieber's ex, says a source.

CALVIN SNAPS ONSTAGE

Note to **Calvin Harris** fans: This DJ does not take requests. A witness tells OK! that the Scotsman kicked a woman out of a private event he was playing at Miami's LIV nightclub after she climbed on a pal's shoulders and started shouting for her favorite song. "He stopped the show and cursed her out on his mic," says the spy. "Security basically dragged her out crying." Temper, temper!

Scientology has been taking a lot of flak recently, but the cultlike religion seems to have a soothing effect on some of its members. A source says *Mad Men* star **Elisabeth Moss** was extremely flustered at a recent photo shoot — she arrived late, complained about the wardrobe and panicked when she couldn't fit into certain garments — until she received a call from her Scientology life coach. "She left the room for a solid 15 minutes for an audit over the phone," says the source, who observed the day's events. "When she returned to set, she was like a completely new person. She did the rest of the shoot with no issues whatsoever." Chalk one up for **L. Ron Hubbard**?

DEMI KEEPING ASHTON CLOSE

Some pictures are worth a thousand words, but the message of one photo hanging in **Demi Moore's** L.A. home is short and sweet: Get over it! A spy says the actress still keeps a framed picture in a guest room of her and **Ashton Kutcher** smooching, even though they divorced two years ago. "She's got photos of **Bruce [Willis]** with the girls too, of course," says the tipster, "but her and **Ashton** kissing is a bit much. She clearly isn't over their split."

Demi and Ashton were married for eight years; they separated in 2011.

Sofia & Joe

MARRIED!

The ceremony was held in the Mediterranean Ballroom of The Breakers hotel in Palm Beach, Fla., where Sofia's suite can go for \$6,650 a night!

It was a glamorous affair as one of the world's most ridiculously sexy couples, **Sofia Vergara** and **Joe**

Manganiello, tied the knot before 400 friends and loved ones at the luxurious Breakers resort in Palm Beach, Fla., on Nov. 22. And when Sofia's 23-year-old son, **Manolo**, walked her down the aisle, her gorgeous Zuhair Murad gown showing off "every one of her curves," a source dishes, there wasn't a dry eye in the house.

Despite the lavish setting, the reception was as spirited and down-to-earth as the guests of honor. "There was no stuffiness or formality," the source says. "The menu, handpicked by Joe, had some Italian classics, and Colombian dishes to represent Sofia's family. The two of them danced and drank Champagne into the wee hours with all the guests; everyone had a blast."

It's hard to believe it was a celebration that almost didn't happen. When Sofia's *Modern Family* costar **Jesse Tyler Ferguson** asked her for permission to give Joe her number last year, Sofia, 43, demurred, saying he was "too handsome." But the 38-year-old *True Blood* star was persistent, lucky for her; the lovebirds started dating in July 2014 and got engaged six months later, on Christmas Day.

Now Sofia says she can't believe she almost let her Prince Charming slip away. "Joe made a toast to Sofia that brought her to tears," the insider says. "She was telling everyone she's never been happier than with Joe by her side."

Jessica & Cash FIGHTING OVER FUNDS

As **Biggie Smalls** famously said, mo' money, mo' problems — and **Jessica Alba** and **Cash Warren** are living proof. Jessica, 34, has amassed a huge fortune through her \$1 billion organic home goods venture, The Honest Company, but she still wants Cash to pull his weight. The problem? His producing career has yet to take off, and the situation has both of them on edge. After Cash, 36, complained about feeling like a stay-at-home dad over brunch with friends at famed deli Nate'n Al in Beverly Hills recently, a witness says Jessica snapped that "he could be successful if he learned to manage money." Jessica's rep denies it, but the tension is hardly new, according to a source, who says, "It's been hard for Cash to accept Jessica being the breadwinner, and she's all too happy to keep reminding him of that."

Adam

VICTORIA'S SECRET NO-SHOW

It's one of her biggest jobs of the year, but as **Behati Prinsloo** strutted her stuff at the Victoria's Secret Fashion Show in New York City on Nov. 10, her husband of one year, **Adam Levine**, was nowhere to be found. Stuck taping *The Voice* in L.A., the Maroon 5 frontman, 36, sent roses, candy and a card to his beloved to show his support. Not that Behati, 26, minded his absence. A source says she "went straight into party mode" after the show, hitting clubs with her girlfriends. Adds the tipster, "She also seemed to love the attention she got from guys all night!"

A source says Behati didn't even call Adam after the show.

Kaley

ONLINE DATING!

After announcing her divorce from **Ryan Sweeting**, 28, in September, **Kaley Cuoco** was staring down the barrel of a lonely holiday season — and not liking what she saw. So she turned where any single 30-year-old would: the Internet! "Kaley's been browsing dating sites using a friend's photo and has even met a couple of guys for drinks," a source says. While pals are cautioning the star to slow down, the source says, she "wants to be distracted from her failed marriage. She needs a man to show her a good time and tell her she's a catch."

"Kaley doesn't want a famous guy," a source says.

Her rep denies it, but a source says Jen's been teasing Justin that "he'll have to keep an eye on her if the movie with Jon goes ahead."

Jen's SECRET CRUSH

Plenty of married people have a celebrity "hall pass" — the one person their spouse would allow them to cheat with given the chance — but when you *are* a celebrity, the rule gets tricky. Case in point: **Jennifer Aniston**, 46, who told hubby **Justin Theroux**, 44, that her biggest Hollywood crush is **Jon Hamm**... and is now in talks to star with him in a movie! "Justin's a good sport and laughs it off, but deep down he's starting to get bent out of shape," says a source close to the couple. "He trusts Jen but worries that Jon is a player." Sounds like Justin's been watching too much *Mad Men*!

Kendra LAWYERS UP

In July, **Kendra Wilkinson** publicly defended husband **Hank Baskett** and said she'd forgiven him for his dalliance with transgender model **Ava Sabrina London** in 2014. But a source says Kendra isn't as committed to her marriage as she wants to appear — and that in early November she secretly consulted celebrity divorce attorney **Laura Wasser** in preparation for a split. "She wants to make sure everything is lined up financially and with custody before she takes the plunge," says the insider, who adds that the former *Girls Next Door* star, 30, has been hitting the town with friends and even alone rather than stay home with "creepy" Hank, 33. "She wants to be free."

"Kendra plans to hand Hank divorce papers by next year," a source says. "She's ready for a new life."

What A-list actor broke things off with his much-younger girlfriend after she became pregnant but didn't keep the baby for fear it would derail her budding acting career?

A source says Kim is still lobbying Kanye to name the baby boy Easton, as she told Ellen DeGeneres in September.

KIM'S Dramatic DELIVERY

AFTER A LATE-NIGHT TRIP TO THE ER,
KIM KARDASHIAN AND **KANYE WEST** FEAR
FOR HER HEALTH... AND THEIR SON'S

Over the past few months, **Kim Kardashian** has been refreshingly candid about the often unglamorous realities of carrying a child. For example, while many women — especially celebrities — claim to love being pregnant, Kim has cheerfully confessed that she's hated every minute of incubating another human being, adding that it's been "the worst experience of [her] life."

But fans were nevertheless shocked when the 35-year-old recently admitted that she's at risk for two very serious pregnancy complications, preeclampsia and placenta accreta, both of which threaten her health as well as the

baby's. A source close to Kim says that the disclosure may have been prompted by a recent middle-of-the-night trip to the emergency room: "She was rushed to the hospital in excruciating pain around two in the morning," the source reports. "Everything turned out OK, but it was very scary."

Now, the source says, "Kim's panicking. Every day she finds something else to worry about. She's driving herself and [her husband] **Kanye [West]** crazy." While she's not due until Dec. 25, it's looking increasingly unlikely that she'll be able to carry the baby to term; **North** was delivered more than five weeks early because Kim developed preeclampsia (which some doctors think may be

READY TO POP

Kim vowed to "stay healthy" when she got pregnant, but she's already gained 65 pounds! "She can't control herself," a source says.

NORTH: ONLY CHILD NO MORE!

North West, 2, has had a good run as the center of the Kardashian/West universe, but she's about to have some serious competition. Will her new baby brother be able to top the incredible cuteness of Nori: (1) grumpily attending a Givenchy show in 2014; (2) lighting candles in Armenia last April; (3) chilling on a yacht in St. Barts in August; (4) hanging with Anna Wintour in September; (5) partying at Mom's baby shower; (6) showing off one of her many Balmain-jacket-and-tutu ensembles in October; or (7) celebrating Halloween as Elsa from *Frozen*? We'll see!

signaled by severe weight gain). And Kim's doctor has recommended a C-section because placenta accreta — a condition in which the placenta doesn't detach from the uterus postbirth — could cause Kim to bleed to death if it isn't dealt with promptly (a situation that could even require an emergency hysterectomy). However, Kanye is pushing Kim to “hang on” for as long as possible, the source says, “because he's really into the idea of a Christmas baby.”

Of course, all this drama is good for ratings, and the source says that Kim's mother, **Kris Jenner**, is eager to get it all on film for the family's reality show. But about that, at least, Kanye is being reasonable and firmly putting his foot down. “He's told Kris that there's no chance of having cameras in the delivery room this time, but she's refusing to take no for an answer,” the source says. “Poor Kim feels caught in the middle.” Not helping the situation is that fact that her sisters would also

like to be in the room for the birth. “Kim is overwhelmed,” the source says. “The whole thing is turning into a circus.”

Given everything that's going on, it's no wonder that Kim is at the end of her rope and just wants the pregnancy to be over. “Having this child means the world to her,” the source says, “but she's so terrified that there's nothing anyone can say or do to calm her down. She won't feel better until the baby is safely in her arms.”

LOSE WEIGHT
CLINICALLY
PROVEN
KEEP IT OFF

At the cinema, **Tom Cruise** is still a big draw. But for years, the 53-year-old actor's love life has been anything but a blockbuster; ever since the summer of 2012, when he was dumped, seemingly out of nowhere, by thirdwife **Katie Holmes**, he's been lonely, a source says: "Tom's not used to being single, and he hates it."

Adding insult to injury is the fact that his breakup with Katie, 36, has been dragged back into the spotlight, thanks to a new memoir by his onetime friend **Leah Remini**. The 45-year-old former *King of Queens* star mentions Tom multiple times over the course of her best-selling book, and he doesn't come out looking very good; even anecdotes that have nothing to do with his ill-fated marriage — such as an incident in which he excoriated an assistant over a tube of cookie dough — make him look a little cuckoo.

"Knowing Tom, he feels very isolated," the source explains. "He's shocked that Leah spilled the beans like that, and he'd do almost anything to get his credibility back."

TOM LOOKING FOR LOVE

IT'S BEEN A LONELY ROAD FOR **TOM CRUISE** SINCE HIS SPLIT FROM **KATIE HOLMES**. IS HIS SEARCH FOR A NEW WIFE HIS NEXT MISSION: IMPOSSIBLE?

WHO'S A MATCH?

TAMARA MELLON

The 48-year-old cofounder of Jimmy Choo is smart and very successful. And though she's engaged to agent Michael Ovitz, "she hasn't made it down the aisle yet," the source notes optimistically. "Tom is a guy who likes a challenge."

SO HAPPY TOGETHER

Crazy couch-jumping aside, Tom was smitten with Katie — and blindsided when she left him. “He thought he’d have no problem finding another relationship,” the source says, “but it hasn’t happened, and he’s stressed.”

SEEKING HIS OWN “AMAL”

So Tom’s decided upon a course of action that, to his mind, will solve both of his problems at once: He’s back on the market, with a vengeance. And this time, he’s even more intent on finding the “perfect” woman. “He’d love to find someone classy and intelligent, like **George [Clooney]’s wife, Amal,**” the source says. “She’s his ideal. He’s open to dating another actress, particularly if she’s sophisticated or, alternatively, young and willing to be molded, but he’d prefer a

businesswoman or someone outside the Hollywood circuit.”

Of course, unlike George, Tom has to be with someone who’s accepting of Scientology. And, the source says, any girlfriend of Tom’s would need to get the approval of his religious leader, **David Miscavige.** “He’s been putting the kibosh on all of Tom’s ideas so far,” the source says, “because he thinks Tom’s next wife needs to go the distance. Ideally, she’d be a Scientologist too — but that’s made it practically impossible for Tom to find anyone!”

OK!

AS HE DID BEFORE KATIE, TOM’S EYEING A FIELD OF CANDIDATES. A SOURCE SAYS HIS TOP FOUR ARE:

DELPHINE ARNAULT

The 40-year-old French fashion executive and heiress “is exactly what Tom is looking for,” the source explains. “She’s got beauty and brains.” She’s also got a boyfriend, but Tom’s undaunted. “He’s really intrigued and wants to learn more about her.”

EMILY RATAJKOWSKI

At 23, the “Blurred Lines” model and *Gone Girl* actress is the youngest (and best known) of the bunch — and at first may not seem to fit Tom’s bill. But the source says there’s more to her than meets the eye: “She likes to talk about literature and show her intellectual side.”

KATHERINE WATERSTON

This 35-year-old actress has been working steadily... but she’s reportedly made time to go out with Tom! “He’s bowled over by her,” says the source. “She’s very focused on her career, but that appeals to him. Tom wants to be with someone as driven as he is.”

WHAT'S W WITH AN

ANGELINA JOLIE SHOULD BE ON TOP OF
BUT SEVERAL INSIDERS SAY SHE'S

No matter what **Angelina Jolie** is going through — be it the aftermath of an elective double mastectomy or simply the day-to-day as the mother of six kids — the Oscar-winning actress always appears composed and at ease, as though no melodrama were powerful enough to shift a hair out of place. But sources say Angelina, 40, has become as self-doubting in private as she is self-assured in public — a fact that her ever-frail body is unable to conceal. “She looks sick, and everyone is worried,” reports an insider. “She’s not taking care of herself, and her friends fear something serious is going on.”

ANGIE THROUGH THE

A FOR EFFORT

Angie and Brad were gung-ho about promoting their film *By the Sea* — which made its failure all the more disappointing. “She’s humiliated,” says a source.

VISION IN WHITE

Always thin but never frail, Angelina made a splash in Hollywood with her SAG award for 1998's *Gia*.

VA-VA-VOOM

As 2003's buxom Lara Croft, Angie kicked ass even while standing still.

WRONG GIE?

THE WORLD,
A WOMAN IN CRISIS

FALLING APART

Angelina approached the recent debut of her film *By the Sea* — which she wrote, directed and starred in alongside hubby **Brad Pitt** — with typical poise, telling the *New York Times*, “I know some people are going to hate it.”

But it was far more than some people. A critical tongue-lashing followed the film’s release, with one reviewer deeming it a “languid piece of would-be art cinema” that “has no reason for being.” Another declared it “an unabashed vanity project that struggles to turn its

own beautiful inertia into a virtue.”

Angelina may not act bothered, but sources say the movie, a deeply personal labor of love inspired by the 2007 passing of her mom, **Marcheline Bertrand**, in fact had a lot riding on it. “She’s become convinced her career is souring,” says an insider, who adds that Angie saw the film as a chance to prove herself — especially after last year’s Sony email hack caught execs **Amy Pascal** and **Scott Rudin** referring to her as “minimally talented” and “an actress for hire.”

“She pretends that didn’t faze

her; she even claimed she never read the emails,” says an insider. “But actually, she was horrified by them.”

The source adds that while Angie casually blames a busy schedule for her less-than-robust physique, “Brad and the kids can see that she looks like she’s going to break.” (Even a star of

her 2014 film, *Unbroken*, remarked in an interview on his director’s unhealthy appearance during filming. Says the source, “Angelina’s well-being can’t continue to play second fiddle to her career — and the sooner she realizes that, the better.” **OK!**

“SHE’S
CONVINCED THAT
HER CAREER
IS SOURING”

YEARS AFTER NEARLY TWO DECADES IN THE LIMELIGHT, ANGELINA IS NOT THE WOMAN SHE USED TO BE

LEATHER-CLAD

The 2005 premiere of *Mr. & Mrs. Smith* saw a newly-in-love Angie looking grown-up and seriously sexy.

SALTY SWEET

By the premiere of 2010’s *Salt*, Angie’s clothes seemed perpetually loose-fitting.

COLD SHOULDER

Her bones protruding and her face drawn, Angie made the red-carpet rounds in November.

SEEKING SPICE ADVICE

Longtime Spice Girls fan Harry looks most like Ginger (Geri Halliwell) and once crushed on Baby (Emma Bunton), but it's Posh who has his ear. One former aide says Harry, 31, calls **Victoria Beckham** regularly for advice. "He's rung her at 3 AM," the staffer says. "No one in his life talks straight to him, but she's direct. He loves it."

THE SECRET LIFE OF PRINCE HARRY!

FORMER BODYGUARDS FOR THE ROYAL PLAYBOY DISH ABOUT EVERYTHING FROM HIS WOMEN'S SHOE FETISH TO HIS FAVORITE JUNK-FOOD CRAVING

BLONDE AMBITION

One look at his exes — **Chelsy Davy** and **Cressida Bonas** — and it's clear Harry favors the fair of hair. But one guard says his golden preference veers into kinky territory, like when he brought a blonde wig for a brunette date to wear! Second date, anyone?

TWINKLE TOES

Forget reality has-beens on *Dancing with the Stars*; how about a prince? "Harry never misses an episode," spills an aide, "and he'd love to enter a contest that gives him the chance to show off his moves." Sadly, the show isn't the Queen's cup of Earl Grey. Says the source: "He'll have to make do with the palace ballroom."

WHAT HAPPENED IN VEGAS

Much to **Queen Elizabeth II's** dismay, Harry's wild Vegas vacay in 2012 — which he mostly spent drunk and naked — has been well-documented. But that's not the only place he's let loose: A source says Harry once invited four models to the palace, where they spent the night guzzling bubbly and streaking through the halls!

SHH... WE WERE NEVER HERE!

DON'T CALL HIM CHICKEN

Proving his taste buds are commoners, Harry's a superfan of KFC's Big Box Meal. "No way would he accept a substitute," says a guard. "He loves that chicken!"

HARRY'S PERFECT 10!

ARTIST AT HEART

Among Harry's princely talents? Painting — which he's showed off in a portrait of nephew **George** and a collection of self-portraits. "They're very moving," says a source, "and show a different side of him."

A GOODY TWO-SHOES

In a heartwarming tribute to his late beloved mom, Harry keeps four pairs of **Princess Diana's** heels locked in a box in his suite. "When he was about 8, he'd watch his mother get ready to go out, and he loved watching the final step: her slipping on her shoes just before leaving," says one source. "Now he keeps a few pairs to remember her by."

FEELIN' BLUE, SHIA?

GRIM AND GRUNGY

Would you guess that this man has \$25 million? If **Shia LaBeouf** is trying to throw robbers off his trail with tattered clothes and an unkempt beard, it's working! (Just hide the \$10 juice, Shia.)

THESE CELEBS MAKE SERIOUS BANK, BUT THEIR STREET STYLE SREAMS BEGGAR

ON A TEAR

An Oscar win and a successful music career as frontman of Thirty Seconds to Mars have helped **Jared Leto** sock away a hefty \$40 million, but he has no desire to part with his favorite tee.

THE COLD SHOULDER!

STREET EATS

You'd think that **Keanu Reeves**, whose net worth is an astonishing \$350 million, could afford a five-star meal, but the scruffy actor seems to prefer a sandwich on a lonely bench.

ACTING BY DAY, SANITATION BY NIGHT?

BAG LADY

Remember when you moved all your stuff into your first apartment in trash bags because you couldn't afford boxes? **Julianne Moore**'s stuck with that method, even with \$40 million to spare.

DOWN IN THE DUMPS

OD HOBOs

FOOTING IT

Welcome to Bumtown!
Population: 1. **Alec Baldwin**, worth \$65 million, doesn't bother finding a room to change shoes; he just slaps his bare feet on a filthy NYC sidewalk.

NO SOCKS, NO PROBLEM!

ONE SIZE DOES NOT FIT ALL

21 FRUMP STREET

She made \$45 million and was once queen of the rom-coms, but **Meg Ryan**'s current style is more potato-sack chic than red carpet-ready. This look is no laughing matter, Meg!

YOU'VE GOT...
BAD STYLE!

RED ALERT

She's known for her quirky style. But with wild bedhead, mismatched layers and sagging socks, **Helena Bonham Carter** sure doesn't look like she has \$30 million in the bank!

FAMILY MATTERS

OK! TV caught up with **Olivia Wilde** at a holiday luncheon benefiting the L.A. Regional Food Bank to celebrate her new film, *Love the Coopers*. "I got to experience my dream dinner table with **John Goodman, Diane Keaton, Alan Arkin and Ed Helms,**"

she said. "This incredible group came together to play a family that feels very true in all its dysfunction and loveliness."

CBS
Films donated \$25,000 to the L.A. Regional Food Bank, which will provide 100,000 meals over the holidays.

Fergie and Josh want to see an end to poaching.

WILD AT HEART

Fergie and Josh Duhamel attended a gala in Beverly Hills on Nov. 7 to support WildAid, an organization working to end illegal wildlife trading and poaching. Josh told OK! SCHEANA SHAY'S GLUTEN-FREE PASTA BOLOGNESE

In her job at the restaurant Sur in L.A., *Vanderpump Rules* star **Scheana Shay** is around gourmet food all the time. But when she gets home after a long day, it's a simple home-cooked meal she wants. "This pasta dish is my new obsession," she tells OK!. "My friend Andrea in Minnesota made it for me, and when I got home I craved it. I added my own twist to the recipe by using gluten-free pasta and a no-longer-secret ingredient: sugar. It's quick, easy and delicious!"

SERVES: 6-8
TOTAL TIME:
40 MINS.
SKILL LEVEL

Ingredients

- 3 lbs. ground beef, 85 percent lean
- 1/4 tsp. garlic salt
- Black pepper, to taste
- 1 tsp. dried Italian seasoning
- Cracked red pepper, to taste
- 12 oz. roasted garlic spaghetti sauce
- 1 tsp. sugar
- Pinch salt
- 1 tbsp. olive oil
- 1 lb. gluten-free fettuccine
- 6 oz. Parmesan cheese, shredded
- Basil, for garnish

Directions

1. In large pan over high heat, sauté beef with garlic salt, black pepper, Italian seasoning and red pepper. Break up meat with wooden spoon and stir occasionally. When meat is cooked through, about 10 minutes, add spaghetti sauce and let cook, stirring, another 5 minutes. Then lower heat and let simmer 10 minutes more, or until meat is thoroughly cooked. Stir

sugar into sauce and remove meat sauce from heat.

2. Add salt and oil to large pot of water and bring to boil. Add pasta to pot and let cook 8 to 10 minutes; taste for texture.

3. Divide pasta onto plates and add sauce and cheese. Garnish with basil and enjoy.

JENNIFER LAWRENCE ON EQUAL PAY, HER METEORIC RISE AND THE END OF *THE HUNGER GAMES*

Since her first appearance on screen as Katniss Everdeen in *The Hunger Games* in 2012, **Jennifer Lawrence**, 25, has skyrocketed to the top of the A-list, weathered a nude photo scandal and had a high-profile relationship with **Chris Martin**... all without ever losing her cool. As *The Hunger Games: Mockingjay — Part 2*, the final installment of the series, hits theaters, Jennifer reflects on the franchise that started it all.

What was the toughest part of this shoot?

The fight sequence in the sewer was exhausting. All of our gear and costumes were waterlogged, so it was like an extra 20 pounds. Poor **Liam [Hemsworth]** couldn't stand up straight for three weeks.

Has it been hard to let go of Katniss?

These movies have been a part of my life for so many years. I feel the impact of being part of such a huge movie that does so much for

Jennifer calls Katniss an "iconic" role.

so many people. Katniss is so supportive of women. I think she's the greatest female character ever.

You're also standing up for women, recently writing an essay about the gender pay gap in Hollywood. Why?

It was about how my mentality got in the way of fighting just as hard as the men to get a better deal. They're not going to give somebody more money who doesn't ask for it.

Have you changed since the first *Hunger Games*?

I hope I've grown up. Going off and not doing movies with [**Liam** and **Josh Hutcherson**] was like losing training wheels. I was like, "Okay, okay... I can ride in the street. I can do it." **OK!**

KATELYN NACON

STAR OF *THE WALKING DEAD*

OK! Q&A

It can take years for an actor to land a role on a hit TV show, but for **Katelyn Nacon**, it happened at age 16! The budding star nabbed a spot on AMC's wildly popular *The Walking Dead* as Enid, a teen who joins the fight to survive the zombie apocalypse. OK! got the scoop on the cult hit's sixth season.

The show has plenty of gruesome scenes. How do you handle them?

I don't really get squeamish. I used to when I was younger. Now I'm really interested in the special-effects side of the makeup, so whenever I see

something [like that], I'm not grossed out; I think it just looks awesome. But getting all dirty and bloody is my favorite. It's so much more fun than being clean!

Very little has been revealed about Enid's past so far. Will the audience learn anything about her this season?

Well, she's very closed off, and that kind of helps create a mysteriousness about her — but hopefully we'll be able to see her open up, even if it's just a tiny little bit.

Fans think Enid might be a spy. Does anyone ever ask you for spoilers?

Not really. People know that I'd get in big trouble if I said anything, so I think they try their best not to ask.

Catch the next episode of *The Walking Dead*, Sun., Nov. 29, at 9 PM ET.

UPKEEP ON THE DOWN-LOW?

She's sworn off procedures in the past — even saying hubby **Justin Theroux** would “put a gun to my head” if she touched her face — but is **Jennifer Aniston** going back on her word? Though she tried to go incognito in a hat, glasses and scarf, the actress, 46, was spotted exiting a New York City plastic surgeon's office on Nov. 17. Now she's going to be up to her (possibly contoured) neck in rumors!
